

## Low Voltage Resin Branch ("T") Joints

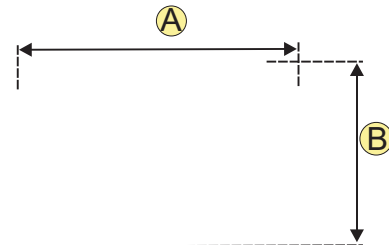

**JOINTMASTER** now has a complete range of low voltage resin "T" joint kits, covering from 1,5mm<sup>2</sup> up to 50mm<sup>2</sup> 4 core cables, catering for the same size branch cable as the main cable.

Resins are supplied in a two compartment, hermetically sealed bags. Mixing is carried out under sealed conditions and transparent pouch ensures visibility.

Available in either opaque or clear polyurethane or epoxy resin. Flame retardant and halogen free resins are available upon request.

Solderless earthing kits are available for these joints, upon request.
